***Dr. Mark Mandell Named Chief Pediatric Medical Officer  
at Steward Health Care Network***

June 17, 2017 – Pediatric Associates (PAGS) is pleased to announce that Mark Mandell, M.D. has joined the leadership team of Steward Health Care Network as their Chief Pediatric Medical Officer. Dr. Mandell has been a pediatrician at Pediatric Associates for over 25 years and will continue to see patients in both the Beverly and Salem offices.

Prior to this new role at Steward Health Care Network, Dr. Mandell served as Department of Pediatrics Chair at MassGeneral for Children at North Shore Medical Center and Associate Medical Director for Pediatrics at North Shore Health System since 2014. He had also been the Chief Medical Officer for Partners Community Health Care. He received his M.D. from Tufts University School of Medicine and his bachelor's degree from Yale University.

PAGS joined the Steward Health Care Network in January and Dr. Mandell will work closely with their leadership to advance pediatric clinical programs including quality, patient experience, and the reduction of total cost of care.
