

Important Information about our Office Locations

Please listen closely when you receive your appointment reminder call because our receptionist will tell you which office your appointment is scheduled at (Beverly or Salem).

Beverly Info: [Click here](#) to download directions if you are coming from our Salem office.

Salem Info: All appointments in Salem will be at our 116 Highland Ave. office (The White Building) while we renovate the office at 84 Highland Ave.

Please let our staff know if you would prefer to have your future visits scheduled at the Salem or Beverly office and we will try to accommodate you.

FREE Classes Offered

THANK YOU to all those who responded to our survey about the upcoming classes we plan to start offering. It allowed us to determine what you would like to hear about and discuss.

Our goal is to kick these off in May so please stay tuned for more more information about the times and days the classes will be offered. And remember....they are free so please spread the word!

Emergency Room Visits

If you have an urgent care matter, please contact our office first before going to the emergency room.

- Our office is open on Saturdays, Sundays and holidays from 8 a.m. to noon for URGENT care appointments.
- If you call after regular office hours, your message will be sent to the on-call doctor or nurse, who can answer any questions and advise you if your child needs to be seen immediately.
- A doctor is always on call if the nurse has any questions or needs assistance.
